Thanks Carrie. Gary is out of the office until Thurs. and after tomorrow, I am out until next Monday. As soon as everyone has reviewed, I am sure we will get back to you. One question: Is there a reason you changed our template/format?

Thanks

Subject RE: Gulfco Public Fact Sheet

Hey Gary -

Attached is our take on the fact sheet.

One question - the part that is highlighted about soil sampling and monitoring wells, should locations be added for these? (ex - on-site monitoring wells...)

Tina and I are in the office this afternoon if you have any questions.  
Thanks!
